

## Declaration of differences

Hereby,

Name of manufacturer: Nauto  
Address: 220 Portage Avenue, Palo Alto, California 94306  
City: California  
Country: The United States or America

declares that this equipment:

Product description: AI-enabled fleet management in-vehicle device  
Type designation(s): Nauto 3-1  
Trademark: Nauto

The difference between latest sample and original sample:

The latest sample and original sample both are 3G/4G products. They use the same chipset . The difference is that the latest sample has more LTE Band 13 Band than the original sample and introduces the new Heatsink&Fan&LDO&DDR& interface conversion chip supplier.
