

External Photos of WE3200

Front:

The image shows a white, rectangular, wall-mounted device, possibly a smart meter or a sensor. It has two screws on top for mounting. The front face has a label with the following information:

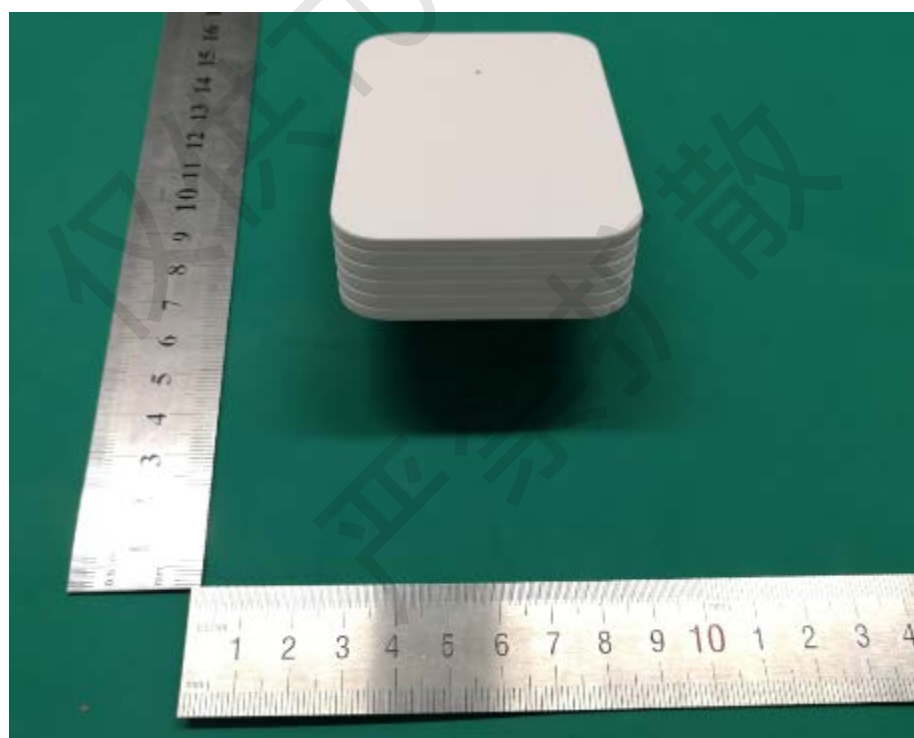

- HUAWEI** (Huawei logo)
- Model:** EM3000-01
- Serial Number:** 12345678901234567890
- IMEI:** 86876543210987654321098765432109
- QR Code**
- Barcode**
- Technical Specifications:**
 - Power: 10W
 - Frequency: 900MHz
 - Bandwidth: 1.4MHz
 - Modulation: QPSK
 - Antenna: 1

The device is placed on a dark green surface next to a wooden ruler for scale. The ruler shows the device is approximately 10 cm wide and 5 cm high.
