FCC Certification Confidentiality Request

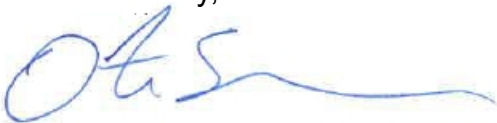

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Life Alert Emergency Response, Inc requests that the following documents regarding this submission for FCC ID: 2ABZ7-919 be kept confidential:

Exhibit Type	File Name

Circuit diagram	Schematic.pdf
Operational Description	Operational Description.pdf
BOM	BOM.pdf
Tune-up	Tune-up.pdf

Those documents contain detailed system and equipment description and related information about the product which Life Alert Emergency Response, Inc considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Life Alert Emergency Response, Inc considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,
