Re: Equipment Authorization Under Part 87
Certification
WRT-2100 MultiScan Weather Radar Receiver/Transmitter
FCC ID: AJK8221710

Gentlemen:

In accordance with the provisions of 47 CFR 0.459 and 0.457(d)(2)(I), Rockwell Collins, Inc. hereby request that Exhibit 4 - Tune Up Procedures, Exhibit 5 - Schematic Diagrams, and Exhibit 10 Parts Lists for Equipment Certification for WRT-2100 MultiScan Weather Radar Receiver/Transmitter be withheld from public inspection. This application was electronically filed on March 20, 2002 and corresponds to FCC ID AJK8221710. Exhibits 4, 5 and 10 contain confidential commercial information or technical data customarily guarded from competitors and is, therefore, exempt from disclosure under Exemption 4 of the Freedom of Information Act [5 USC 522(b)(4)] because disclosure could reasonably be expected to cause substantial competitive harm.

Please note that Exhibits 5, 8, 9 and 10 were broken into multiple electronic files in order to overcome technical difficulties in uploading to the OET Laboratory Electronic Filing Site.

Your early consideration of the Application is respectfully requested. Please direct all inquiries to Mr. Joe Cramer of this office at (703) 516-8213.

Respectfully submitted,

Linda C. Sadler
