Request for Tech. Info.: 12/18/00**

Dear Joe:

Transmitted herewith, on behalf Symbol Technologies Inc., is an amendment provided in response to the request for technical information dated December 18, 2000.

- 1a. We retested a second position sample at 224mW and attached are the conducted power data showing compliance.
- 1b. Please see attached photograph showing antenna position and peak SAR location.
2. After reviewing the antenna location photograph, we re-investigated Body SAR and tested in a second position. See attached test photographs for second position Body SAR configuration and second position Body SAR test data.

We trust this information is sufficient to issue the grant ASAP. If you have any further questions, please do not hesitate to contact us.
