Subject:: Part 24 Certification for PCS1900 Base Station Transmitter

Reference: FCC ID: NE3PCS002

Dear Examiner,

The following equipment authorization application is presented by Siemens Information and Communication Networks, Inc., in accordance with the FCC rules, for the Certification of their PCS1900 BS11 Micro BTS. Please find the complete set of required exhibits as part of this electronic filing. The approval number sought is NE3PCS002.

We look forward to an expeditious review of the subject application and a Certification granting for Siemens Information and Communication Networks. Inc. with regards to this equipment. If you need any further information or assistance relative to this filing, please feel free to contact our authorized agent, Michael Nicolay of Carl T. Jones Corporation at (703) 569-7704, or myself at (561) 955-6459.

Sincerely,

Gustavo A. Suarez
