Solder Board-Component View 4	 A photograph of a rectangular electronic component, likely a display panel, mounted on a green printed circuit board (PCB). The component has a large, dark, rectangular area in the center, possibly a screen or sensor. It is positioned next to a black ruler with white markings, which shows dimensions in millimeters. The ruler is placed horizontally, with the component's width spanning approximately 100 mm. The background is a blue textured surface.
Solder Board-Component View 5	 A photograph of a rectangular electronic component, likely a power supply or control board, mounted on a yellow printed circuit board (PCB). The component features various electronic components, including a large yellow capacitor, a black integrated circuit, and several smaller components. It is positioned next to a black ruler with white markings, which shows dimensions in millimeters. The ruler is placed horizontally, with the component's width spanning approximately 100 mm. The background is a blue textured surface.
