

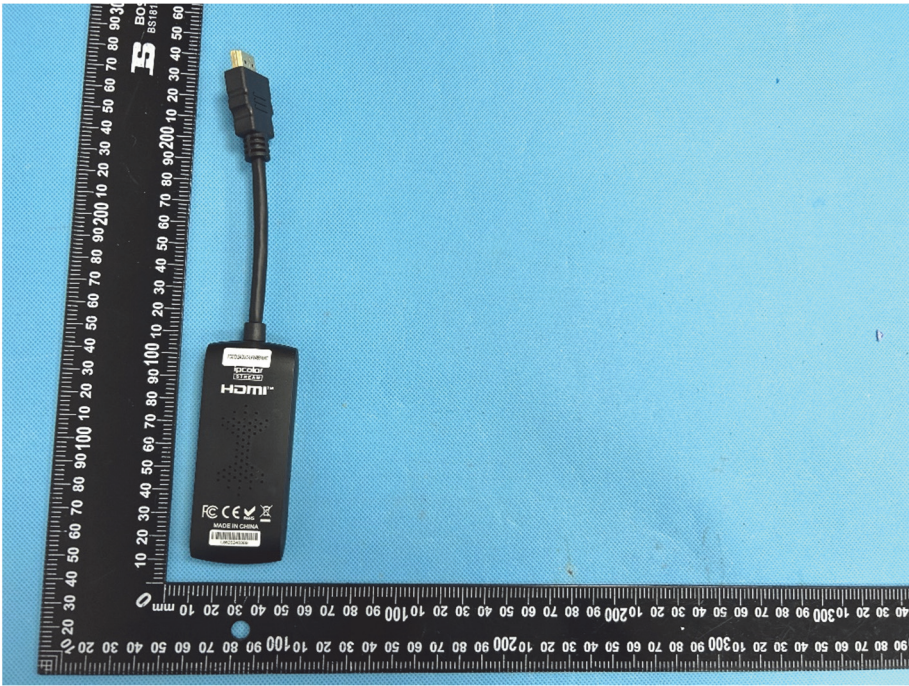

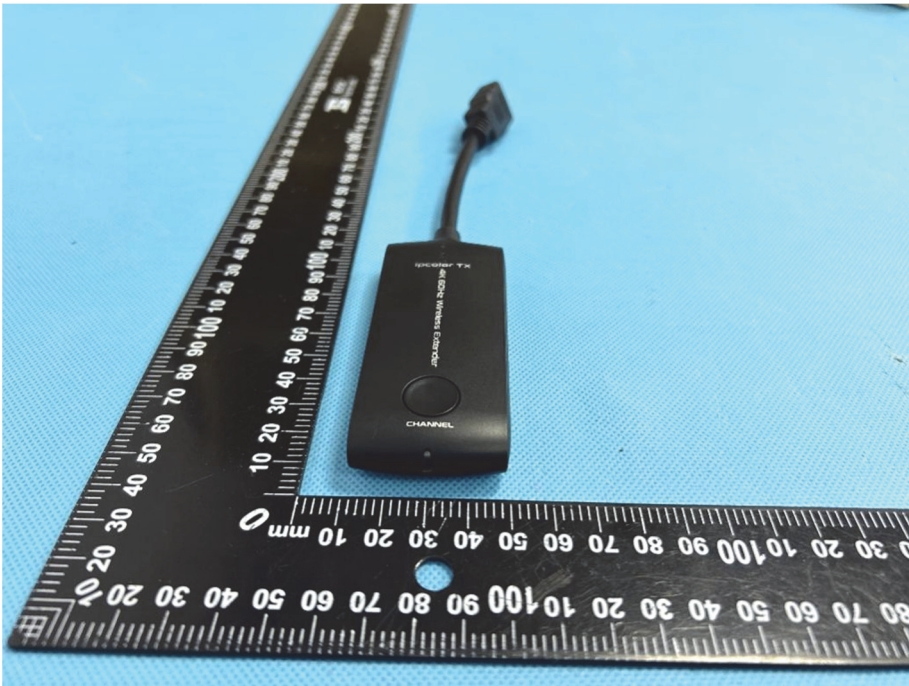

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

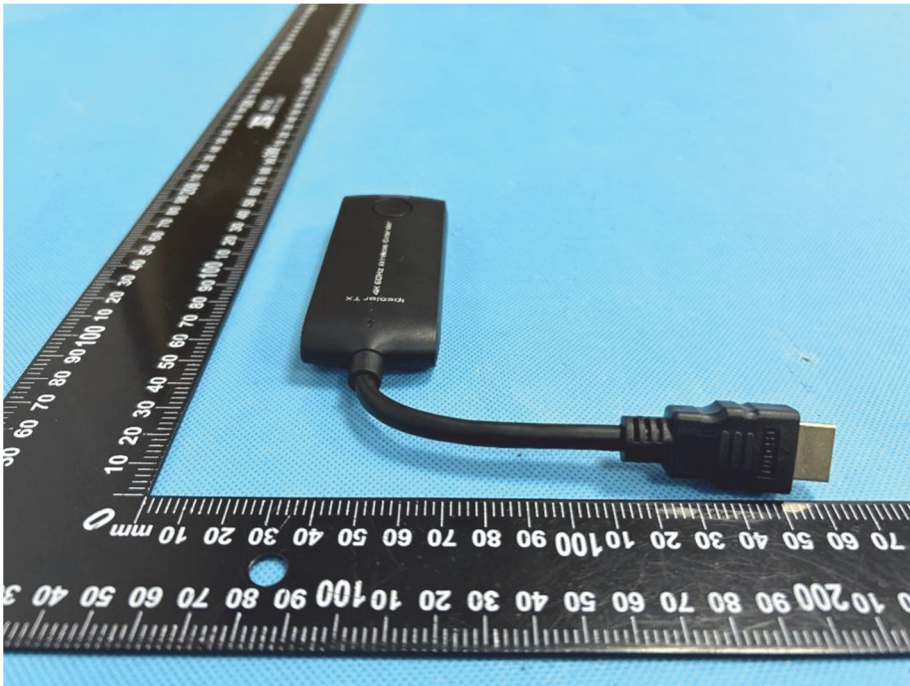

EUT View 1	 A photograph showing a black rectangular Electronic Under Test (EUT) device and a black USB cable. The device is labeled 'ipic2300 TX' and '40-180MHz 100W-120W'. It has a circular button at the bottom. The USB cable has a standard USB-A connector on one end and a smaller connector on the other. Both items are placed on a light blue surface next to a black L-shaped ruler with white markings in centimeters and millimeters.
EUT View 2	 A photograph showing the same black rectangular EUT device as in View 1. It is labeled 'ipic2300 TX' and '40-180MHz 100W-120W'. The device is placed on a light blue surface next to a black L-shaped ruler with white markings in centimeters and millimeters. The USB cable is not visible in this view.

EUT View 3	 A black rectangular device with an HDMI cable attached. The device has a label with "HDMI" and "MADE IN CHINA" visible. It is placed next to a ruler for scale.
EUT View 4	 A black rectangular device with a cable attached. The device has a label with "HDMI" and "MADE IN CHINA" visible. It is placed next to a ruler for scale.
