#### FCC STATEMENT

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates use and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

#### FCC RADIATION EXPOSURE STATEMENT

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

#### CONTENTS

- Karaoke microphone
- Micro USB charging cable
- User manual

#### SPECIFICATIONS

Speaker Output: 3W  
Speaker Size: 52mm 4Ω 3W  
Play Time: 2-3 Hours  
Charging Time: 3 Hours  
Battery Capacity: 600mAh/3.7V  
Charging Interface: Micro USB 5V/1A  
\*Charge cable included  
Bluetooth range: 10m(No barrier)  
Operating frequency: 2.402G-2.480GHz  
Transmit power: 4db  
Receiving sensitivity: -85db  
Signal-noise ratio: ≥ 80db  
Distortion: ≤ 3%  
Frequency range: 100Hz-18KHz  
FCC ID: 2AANZKRK4FB  
BT ID: D059694
