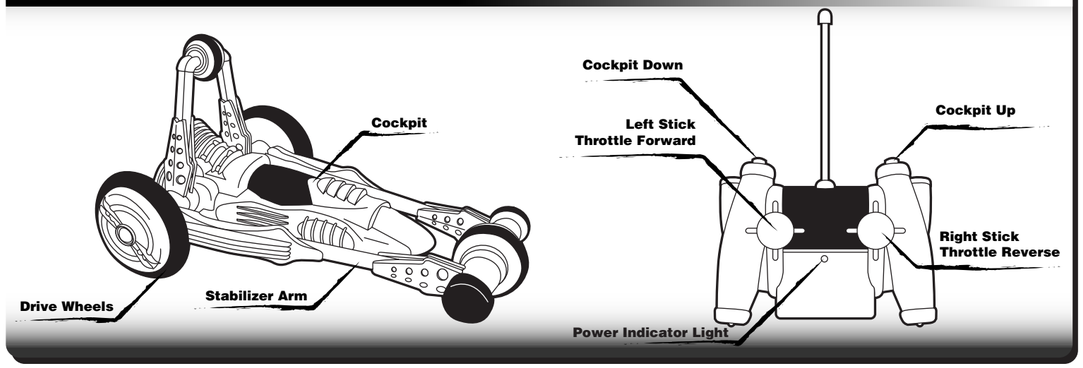
Item No.0280
Ages 4+

# RC Astro-Flex™

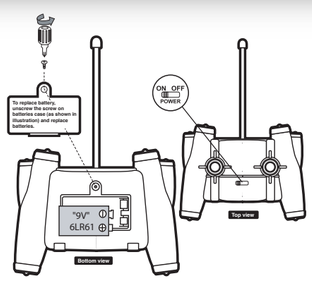
- Vehicle: 6 x "AA" LR06 UM3 (Battery not included)
- Controller: 1 x 9V 6LR61 Battery (Battery not included)

## Contents

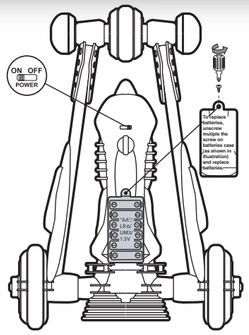


## Battery installation and Power On/Off

Attention: Important Battery Information
- Use only fresh batteries of the required size and recommended type.
- Do not mix old and new batteries, different types of batteries (standard alkaline, or rechargeable), or rechargeable batteries of different capacities. We recommend the use of rechargeable batteries.
- Remove rechargeable batteries from the toy before recharging them.
- Rechargeable batteries are only to be charged under adult supervision.
- Please respect the correct polarity, (+) and (–).
- Do not dismantle batteries of any type.
- Do not try to charge non-rechargeable batteries.
- Do not throw batteries into the fire.
- Replace all batteries of the same type/brand at the same time.
- Do not short-circuit the battery contacts.
- Remove exhausted batteries from the toy.
- Batteries should be replaced by adults because of small parts.
- Remove batteries if the toy is not going to be played with for some time.



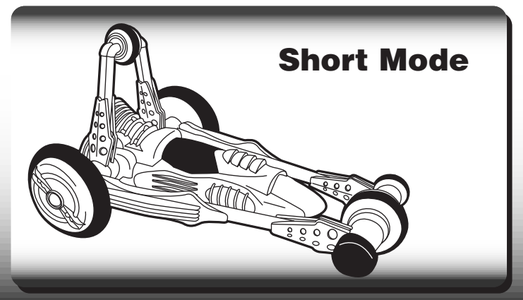
1) Remove the battery compartment cover using a Phillips or crosshead screwdriver (not included).
2) Insert 1 x 9V battery (not included) into the controller as shown in the diagram.
3) Replace the battery compartment cover and the screw.

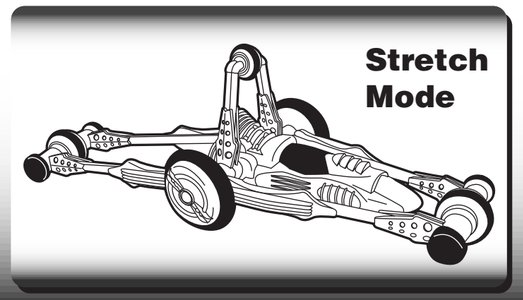


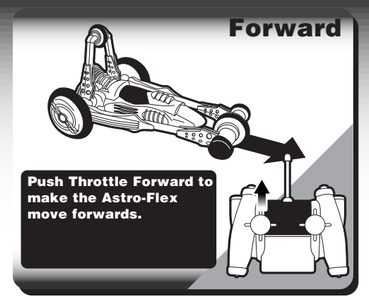
1) Remove the battery compartment cover using a Phillips or crosshead screwdriver (not included).
2) Insert 6 x AA batteries (not included) into the car as shown in the diagram.
3) Replace the battery compartment cover and the screw.

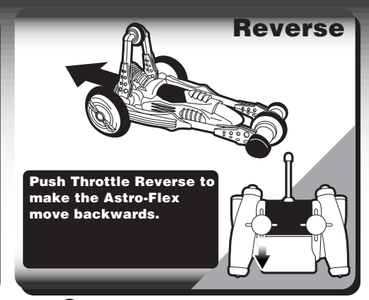
## Driving the Astro-Flex

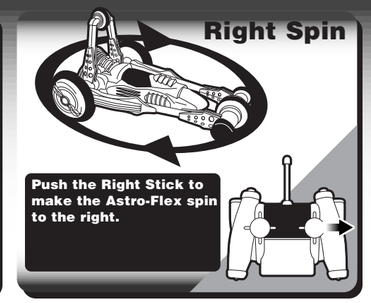
- Turn on the Jet Car and the controller using the On/Off switches.
- The power indicator light on the controller will glow as long as the battery has power.

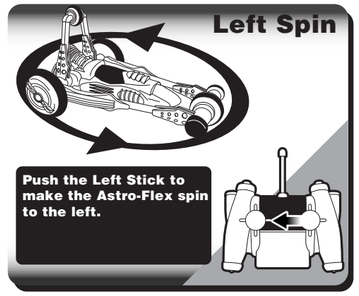


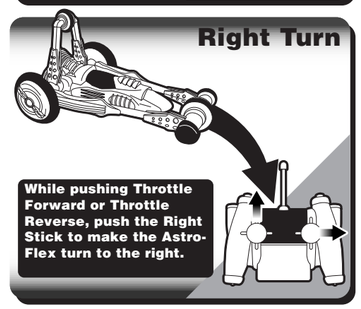


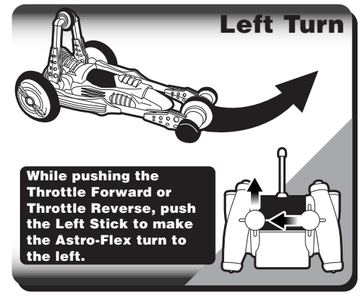


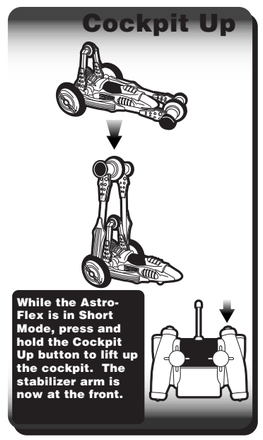


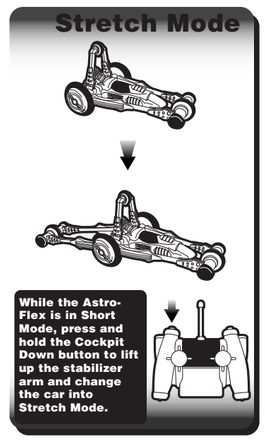


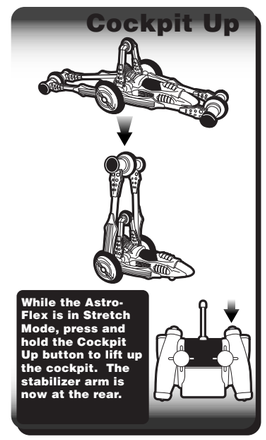


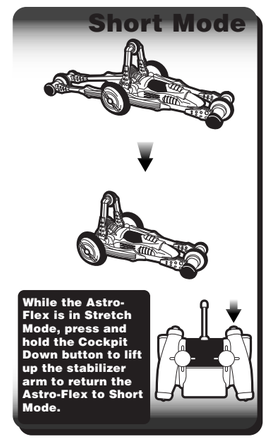












Driving Tips:
Practice using the Cockpit Up and Down buttons while driving for quick twists, spins, flips and stunts.
Remember that when the vehicle is coming towards you, it will steer in the opposite direction to the way you turn the wheel. Try to imagine that you are in the driver's seat to work out the direction it will turn in.
When you have finished playing, make sure that you turn the On/Off switch on the controller and Astro-Flex to "Off".

## Safety Precautions

- Never drive your Astro-Flex on the streets.
- Do not pick up the vehicle while it is in motion.
- Keep fingers, hair and loose clothing away from the tires and wheels while the vehicle is in motion.
- Do not drive the vehicle through water.
- For best results, hold the antenna up, not pointing down towards the vehicle.
- Drive safely!

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is needed.
- Consult the dealer or an experienced radio/TV technician for help.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
Please keep these instructions as they contain important information
