User's manual

These documents contain detailed system and equipment descriptions and related information about the product, which **Intis Ltd.** considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **Intis Ltd.** feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Must be signed by the applicant or contact cited as technical or non-technical contact on the 731 form provided to Eurofins Electrical and Electronic Testing NA, Inc., or by the authorized agent if an appropriate authorized agent letter has been provided. Letters signed by the applicant should be placed on applicant letterhead.
