Columbia, MD 21046

Regarding: 2AHDZ-ACTIVAC4G

To whom it may concern:

The purpose of this application is to incorporate this module into a host which will be used in a portable application. Additionally, a second unlicensed module will be integrated in this host.

Testing was performed to assess the radiated spurious emissions of each module as well as simultaneous transmissions.

SAR testing was performed to show compliance to RF exposure requirements when used in a portable application.

Transmissions for this module, within this application, are limited to LTE Bands 2, 4 and 12.

Sincerely,

A handwritten signature in blue ink that reads 'Martin Taylor'.
