

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

Conducted Emission Test Setup	 A photograph showing a conducted emission test setup. On the left, a wooden bench holds a spectrum analyzer. A red cable connects it to a power supply unit on the floor. To the right, another wooden bench holds a small electronic device under test, connected to the same power supply. A wall outlet is visible in the background.
Radiation Emission View (Below 30MHz)	 A photograph of a radiation emission test setup. A white, box-like test chamber sits on a metal stand. The chamber is surrounded by white, pyramid-shaped electromagnetic wave absorbers. A black metal frame is in the foreground, and the floor has yellow and black striped safety tape.

**Radiation Emission
View (30MHz to 1GHz)**
