Model difference

We Level Home Inc. declare that:

Product: Level Lock Pro

Model: D2, D4

The difference is:

D2 is Satin Nickel color, D4 is Matte Black color, the color does not contain metallic paint. Except for the color, the appearance of the two models is the same. Only the color is different, everything else is exactly the same. Therefore, D2 and D4 have the same circuit. The PCB/Components/RF CHIP/antenna information of the two models are exactly the same.

A handwritten signature in black ink on a light blue rectangular background. The signature reads "Mathias Bitz" in a cursive script.
