

Safety, Warranty & Regulatory Guide for Google Home Mini

This booklet provides important safety, regulatory, and warranty information that you should read before you start using your Google Home Mini. An online version of this document can be found at g.co/home.legal.

Google Home Mini and your Family and Friends: If you make your Google Home Mini available for others to use, please be sure to let them know that their interactions may be stored by Google. More information about this is available at g.co/home/guests. In the link, you can also find information and tips about others being able to access information you make available to Google Home Mini.

WARNING: HEALTH AND SAFETY INFORMATION

Basic Safety: To avoid damaging your device, accessories or any connected devices, and to reduce the risk of personal injury, discomfort, property damage or other potential hazards, follow these precautions below and those found at g.co/home/legal:

- Handle your Google Home Mini with care. You may damage the device if you disassemble, drop, bend, burn, crush or puncture your device. Using a damaged device may cause overheating or injury. Don't expose your Google Home Mini to liquids, which can cause a short circuit and overheating. If it gets wet, do not attempt to dry it using an external heat source.
- Be sure the power adapter and device are well ventilated when in use. Using damaged cables or power adapters, or using your device when moisture is present, can cause fire, electric shock, injury, or damage to the Google Home Mini or other property. When using the Google Home Mini, make sure the power adapter is plugged into a nearby socket and is easily accessible. This product is intended for use with a certified Limited Power Source (LPS) per IEC 60950-1 rated: 5 Volts DC, minimum 1.8 Amps. Only use your Google Home Mini with the included power adapter and cable, or compatible accessories available on the Google Store. Failure to use compatible accessories can cause fire, electric shock, injury, or damage to the device and the accessories. Compatible accessories are available on the Google Store and at Google authorized resellers (look for Google's "made for" badge).
- Maintain a distance of at least 20 cm from your body to be consistent with how the device is tested for compliance with European/US/Canadian RF exposure requirements.
- The Micro-USB port in the back of the device is a service-only/power-only port.

FOR UNITED STATES & CANADA

FCC and IC/ISED Regulatory Compliance

This device complies with Part 15 of the FCC Rules. This device complies with Innovation, Science and Economic Development Canada (ISED) license-exempt RSS standard(s). Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

More details on the FCC and ISED statements can be found at g.co/home/legal.

The Innovation, Science and Economic Development Canada and Federal Communications Commission regulations provide that changes or modifications not expressly approved by Google Inc. could void your authority to operate this equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Industry Canada, Class B

Innovation, Science and Economic Development Canada ICES-003 Compliance Label:
CAN ICES-3 (B)/NMB-3(B)

The device for operation in the band 5150-5250 MHz is only for indoor use to reduce the potential for harmful interference to co-channel mobile satellite systems

EMC Compliance

Important: This device and power adapter have demonstrated Electromagnetic Compatibility (EMC) compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.

Google Home Mini Hardware Limited Warranty | USA/CANADA

This Limited Warranty applies only if you purchased your Google Home Mini in the United States or Canada.

What does this warranty cover and how long does it last? Google warrants that a new Google Home Mini device (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for one year from the date of original retail purchase in its original packaging by you. If a Google Home Mini has been refurbished, Google warrants that the Google Home Mini (including any ancillary parts that may be packaged with it) will be free from defects in materials and workmanship under normal use in accordance with Google's published user documentation for ninety days from the original date of retail purchase by you (these warranties are collectively referred to as our "Limited Warranty").

What will Google do? (THIS IS YOUR EXCLUSIVE REMEDY) If a defect covered by this Limited Warranty arises and you return your Google Home Mini during the Limited Warranty period (which is one year for new devices and ninety days for refurbished devices), Google will in its sole discretion and to the extent permitted by law repair your Google Home Mini using new or refurbished parts, replace your Google Home Mini with a new or refurbished Google Home Mini functionally at least equivalent to yours, or accept the return of your Google Home Mini in exchange for a refund of the purchase price you paid for your Google Home Mini. If Google repairs or replaces your Google Home Mini, the repaired or replaced Google Home Mini will continue to be warranted for the remaining time of the original warranty period. All returned parts for which you have received a replacement will become the property of Google. Repair or replacement may result in loss of data. Nothing in this Limited Warranty will reduce or otherwise affect your statutory rights in relation to your Google Home Mini.

THE LIMITED WARRANTY WRITTEN ABOVE IS THE ONLY EXPRESS WARRANTY GOOGLE PROVIDES FOR YOUR GOOGLE HOME MINI, AND THE ABOVE REMEDY IS YOUR SOLE REMEDY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS OF ANY KIND, WHETHER STATUTORY OR IMPLIED, ARISING FROM COURSE OF CONDUCT OR OTHERWISE, REGARDING YOUR GOOGLE HOME MINI, EXCEPT THAT ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT ARE LIMITED IN DURATION TO THE PERIOD OF THE EXPRESS WARRANTY ABOVE (EITHER ONE YEAR OR NINETY DAYS, DEPENDING ON WHETHER YOUR GOOGLE HOME MINI IS NEW OR REFURBISHED).

Some states, provinces or territories do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

What does this warranty not cover? This Limited Warranty is only valid and enforceable in locations where Google Home Mini is sold and will apply only if you purchased your Google Home Mini from Google or its authorized resellers. This Limited Warranty only applies to hardware components (and not any software elements) of Google Home Mini, and this Limited Warranty does not apply to damage caused by: (1) normal wear and tear; (2) accidents; (3) misuse (including failure to follow product documentation); (4) neglect; (5) disassembly; (6) alterations; (7) servicing other than by Google authorized technicians; and (8) external causes such as, but not limited to, water damage, exposure to sharp objects, exposure to excessive force, anomalies in the electrical current supplied to the device, and extreme thermal or environmental conditions. This Limited Warranty does not guarantee that use of the Google Home Mini will be uninterrupted or error free.

YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GOOGLE AND ITS SUBSIDIARIES AND AFFILIATES (COLLECTIVELY, "GOOGLE PARTIES") SHALL NOT BE LIABLE TO YOU UNDER ANY THEORY OF LIABILITY (WHETHER CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OR

FAILURE OF ANY WARRANTY OR OTHERWISE) FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES THAT MAY BE INCURRED BY YOU IN CONNECTION WITH YOUR Google Home Mini OR THESE TERMS, INCLUDING ANY LOSS OF DATA, WHETHER OR NOT A GOOGLE PARTY OR ITS REPRESENTATIVES HAVE BEEN ADVISED OF OR SHOULD HAVE BEEN AWARE OF THE POSSIBILITY OF ANY SUCH LOSSES ARISING. YOU EXPRESSLY UNDERSTAND AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE GOOGLE PARTIES' TOTAL LIABILITY IN CONNECTION WITH YOUR GOOGLE HOME MINI OR THIS LIMITED WARRANTY WILL NOT EXCEED THE AMOUNT YOU ACTUALLY PAID GOOGLE FOR YOUR GOOGLE HOME MINI.

Some states, provinces or territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

How do you make a claim? To make a claim under the Limited Warranty, please contact Google Home Mini Support at [LINK]. You must provide your name, contact information and the serial number of your Google Home Mini to receive support. You may also be required to provide a purchase receipt.

Other limitations: No vendor, seller, authorized reseller, employee or representative of Google or its affiliates or any third party is authorized to make any modification, extension or addition to this Limited Warranty. If any term of this Limited Warranty is held to be illegal or unenforceable, the remaining terms of this Limited Warranty will remain in full force and effect.

How state, province, territory, and other laws apply to you: This warranty gives you specific legal rights, and you may also have other rights that vary from jurisdiction to jurisdiction.

This Limited Warranty is given by Google Inc., a Delaware corporation whose principal place of business is at 1600 Amphitheatre Parkway, Mountain View, CA 94043, United States.
