

## Antenna Specification

### 1. Antenna describe:

|                      |                                               |
|----------------------|-----------------------------------------------|
| Antenna plate        | Monopole antenna                              |
| Make name/model name | M60                                           |
| Antenna gain         | 0dBi                                          |
| Frequency range      | 2.4GHz-2.483GHz                               |
| Connector type       | direct                                        |
| Manufacture          | Yongcheng International<br>Technology Co. LTD |
