

EXHIBIT 9a**Section 2.1033 (c) (12) PHOTOGRAPHS OF THE EQUIPMENT**

Photographs (8 x 10) of the equipment of sufficient clarity to reveal equipment construction and layout, including meters, if any, and labels for controls and meters and sufficient views of the internal construction to define component placement and chassis assembly. Insofar as these requirements are met by photographs or drawings contained in instruction manuals supplied with the certification request, additional photographs are necessary only to complete the required showing.

Response

The following pages contain the required external photographs of the AS5BBTRX-23, **B13 RRH 4X30**, subject of this application.

Seven External photos in total were submitted, which include:

- 1) External Front View of the RRH with Solar shield
- 2) External Front View of the RRH without Solar shield
- 3) External Rear View of the RRH without Solar shield
- 4) External Top View of the RRH
- 5) External Bottom View of the RRH
- 6) External Right Side View of the RRH
- 7) External Left Side View of the RRH
