Date: July 20, 2020

To Whom it May Concern:

This letter grants authorization for representatives of Laird Connectivity to apply for a Class II Permissive Change as specified under 47 CFR FCC Part 2.1043 of the Code of Federal Regulations.

This authorization applies to Laird Connectivity's 60-2230C Series Module, Model Number ST60-2230C-PU, FCC ID: SQG-60SIPT, approved on August 11, 2017.

This permissive change is for the addition of a Radiall R380500150 monopole antenna and should in no way affect the original FCC grant.

Sincerely,
