Columbia, MD 21046

Attention: Equipment Authorization Branch

The Product FCC ID: QMNRM-120 is a Tri-mode/Dual band (800/1900 MHz) CDMA and AMPS product. However, based upon customer requirements, it may be necessary to disable one of the bands of operation via software. This product will mechanically and electrically identical to the original product – no physical changes will be made. Nokia requests the right to perform this software change at will without applying for a permissive change or a new FCC Grant.

Sincerely,

Ronald L. Chernus  
Product Certification Officer, CDMA  
Nokia Inc.
