

## Class II Permissive Change Request Letter

**Date: May 31, 2023**

Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

FCC ID: Q95ER28

Original Grant Date: 05 January 2022

To Whom It May Concern:

We, the undersigned, hereby attest to the fact that we will apply the class II change.

The major change filed under this application is:

Add a new product name PACKTALK EDGEPHONES.

The difference between original and new product names is listed in the following table:

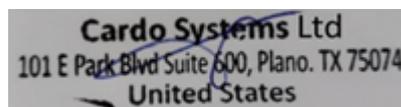

EUT	1		3	2
Product Name	PACKTALK EDGE	PACKTALK CUSTOM	PACKTALK EDGEPHONES	PACKTALK NEO
Model No.	PACKTALK EDGE/CUSTOM			PACKTALK NEO
PCB Version	PCB00291			PCB00295
Hardware	USB type C (without audio function) USB Data			USB type C (with audio function) Audio Switch Chip = USB has 2 input option (Data or Audio)
Accessory	Headphone Microphone Audiokit	Edge phone microphone Edge phone Headphone		Headphone Microphone USB audio kit Cradle
Note	The difference are related to pay per feature on the mobile application that manufacturer enable the user to use but the product is exactly the same. For instance, noise cancellation feature can be operated by mobile app and for PACKTALK CUSTOM user pay per this feature.			-

In addition to the above information, the RF design and circuit of new product is identical with the original certification.

Re-evaluate the SAR test due to changes in the product operating environment and configuration. Should you have any enquires or comments, please have my best attention.

Sincerely,

Signature \_\_\_\_\_
