To FCC:

RE: update internal photo

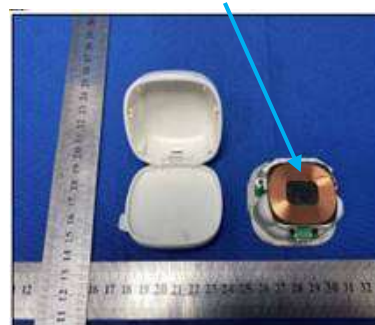

FCC ID: K7SAUC006

We are submitting an application for update internal photo to the FCC approval of the Company name: Belkin International, Inc., product description: [SOUNDFORM Flow Noise Cancelling Earbuds](#) (FCC: K7SAUC006, Original Grant Date: 2022/5/20). The sample for test used wrong wireless charging coil design. This part is worked as passive receiving for wireless charging function. This part only affect part of the EMC test of FCC part 15B. We have do retest for this part and update FCC Sdoc report. The internal transmitter module itself has not changed. We need to update internal photo in FCC website. Here are the changes:

This is the original wrong part

This is the correct part need to be update

Sincerely,

Title Senior Regulatory Compliance Engineer

Name: Rossi Wu
