HID Global Corporation

Declaration Model Difference

The models X001800-2 & DTCii Plus are the same as the previous X001800-2 & DTCii Plus with the exception of the Internal Encoder. This Encoder was changed from an Omnikey 5121 to an Omnikey 5122.

To designate this change the FCC ID, IC and SRD Model has been changed on this revised model.

We, HID Global Corporation, located at 611 Center Ridge Drive, Austin, TX 78753, USA declare under our sole responsibility that the above Printers, to which this declaration relates, are based on similar design technology, in regards to form, fit and function. The above Printers are based on the identical design and are considered from an electrical, mechanical and physical standpoint as identical.
