Alpha 15-55 DHW-R

Revision history

Version	Date	Initials	Description
0.0.1	2018.10.31	ADE	Label Placement explanation for Alpha 15-55 HWR-D

The label position is distributed into 3 places on the pump. These pictures are taken of the currently approved Alpha 2 Variant, already approved by Intertek.

The product identification (name) is shown on the front of the pump.

Left side of
the pump

Right side of the pump

The front label is described in the drawing: Alpha 15-55 HWR-D Pump Front label 99367681.pdf.

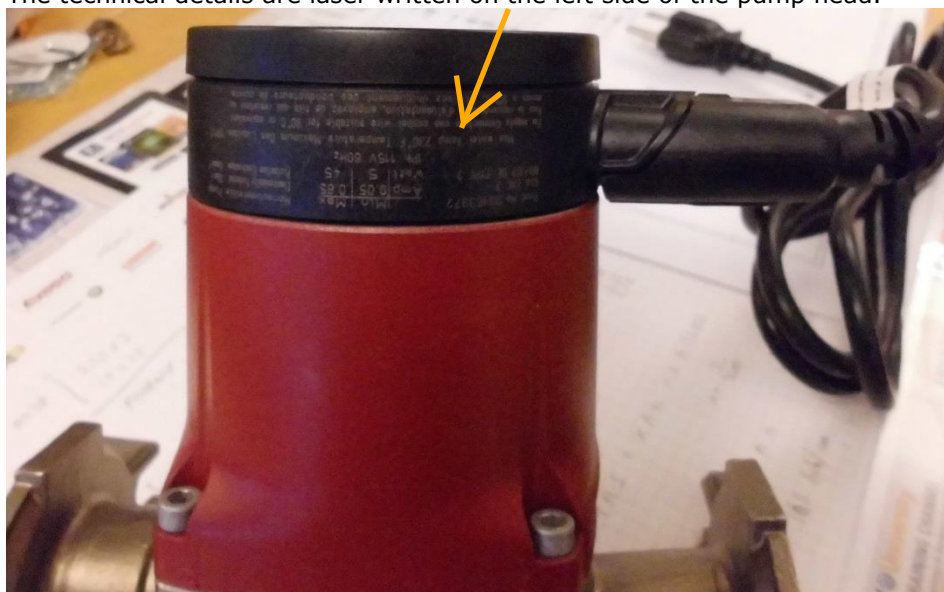

<i>Title:</i>	Alpha 15-55 DHW-R	<i>Project:</i>	GRI3154	<i>Page:</i>	2 of 3
<i>Placement:</i>	Documentation	<i>Date:</i>	2018.12.18	<i>Version:</i>	0.0.1

Doc. No:	N/A				

The technical details are laser written on the left side of the pump head.

As described in the document: Alpha 15-55 HWR-D Pump side label 99500511.pdf.

The warning text is also laser written on the right side of the pump.
