Solder Board-Component View 15	 A photograph of a small, rectangular electronic component, likely a battery, placed on a blue textured surface. The component is positioned horizontally and is partially covered by a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The component has several labels: "AG2210002185" at the top, "94V-0 5X-21" in the middle, "E360487" at the bottom, and "RoHS" and "GND" on the right side. There are also some smaller, less legible markings.
Solder Board-Component View 16	 A photograph of the same electronic component from a different angle, showing its top surface. The component is placed on the same blue textured surface and is partially covered by the same black L-shaped ruler. The ruler's markings are visible. The component has a "+" sign on the left side and some markings on the right side, including "1V200A" and "1A 1V2".
