

Solder Board-Component View 8	 A photograph showing a small, rectangular, orange-colored component mounted on a blue printed circuit board (PCB). The component is positioned near a black ruler with white markings. The ruler has two scales: a vertical scale on the left ranging from 0 to 90 mm and a horizontal scale at the bottom ranging from 0 to 100 mm. The component is located approximately at the 10 mm mark on the vertical scale and the 30 mm mark on the horizontal scale.
Solder Board-Component View 9	 A photograph showing a yellow rectangular component mounted on a blue printed circuit board (PCB). The component has a white connector with three wires (red, white, and black) extending from it. The component is positioned near a black ruler with white markings. The ruler has two scales: a vertical scale on the left ranging from 0 to 100 mm and a horizontal scale at the bottom ranging from 0 to 100 mm. The component is located approximately at the 10 mm mark on the vertical scale and the 30 mm mark on the horizontal scale. The component has text printed on it: "+ 11 602535 3.7V" and "- 500mAh 2.00928".
