FCC Confidentiality Request

To Whom It May Concern:

Please accept this letter as an official request to have the schematics and block diagram of the Toro TWRS series wireless rain sensor application treated as confidential. This information is at the request of our designers as the information contained within represents many hours of engineering and design that should remain confidential as to protect our company's intellectual property and investments.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bruce Downie', is written above the printed name.
