Inquiry on 08/02/2018 :**Inquiry:**

My customer is seeking
FCC Part 15 certification for a device that fits in the palm of his hand.

He has a 2 page fold
up "Pocket Guide" that serves as his user manual. There isn't any room in this
document to list the FCC warnings that usually appear in the user manual.

He would like to know
if he can list the FCC warnings that usually appear in the user manual in his "Warranty"
document that is supplied to the customer along with the Pocket Guide in the
packaging box?

Thank you.
