Re: **FCC Reference Number 4351**
FCCID: ISEIFT

Dear Mr. Fabina:

Item 2 of your letter dated October 29, 1998 indicated that the Limitation of Liability statements in the Instantel Infant Tag instructions (user's manual) contain unacceptable references to use of the Infant Tag for asset management. The appearance of these references was an error.

The Instantel Infant Tag will not be marketed for use in locating assets or assistance in the prevention of the loss of assets. The attached set of Infant Tag Instructions (user's manual) contains amended Limitation of Liability statements, deleting these proposed uses.

Sincerely,

A handwritten signature in dark ink, appearing to read "JMcKenzie", written over a horizontal line.
