Attention: Equipment Authorization Branch

Subject: Certification for FCC ID: LJPNSB-6NY

Gentlemen,

Nokia Mobile Phones requests a Class II Permissive Change to the grant for the FCC ID: LJPNSB-6NY.

Presently two carrying cases were measured for RF exposure compliance, but we would like to introduce a modification to CSH-3 carrying case.

FCC ID: LJPNSB-6NY complies with ANSI/IEEE C95.1-1992 Standard for Safety Levels with Respect to Human Exposure to Radio Frequency Electromagnetic Fields, 3 kHz to 300 GHz, when used with this new body-worn accessory. Compliance was determined by testing appropriate parameters according to standard.

Sincerely,

NOKIA MOBILE PHONES

Niko Mikkola

Program Manager, PCC Oulu
