CFS8DLSIXMINICT FCC COVER LETTER

Date: 12/02/2019

To Whom It May Concern:

This letter is to inform you of our request for a new certification for our transceiver known as CFS8DLSIXMINICT. The transceiver will operate under Part 15.247.

There are two model numbers included as part of this certification – PROSiXMINICT and SiXMINICT2A. The models are mechanically & electrically identical, the difference is due to marketing only

Regards,

X 

Michael Antola
