Ref.: Change of FCC ID request**To Whom It May Concern:**

Advanced Automotive Antennas S.I ("Company") has contacted Wistron NeWeb Corporation (WNC) regarding Company's intention to file applications for a change in identification in the United States pursuant to Section 2.933 of the Federal Communication Commission's ("FCC") rules with respect to the following:

FCC ID	NKRUMC-9628FHN
---------------	-----------------------

This product was originally certified by contacted **Wistron NeWeb Corporation** on 12/28/2018.

For the equipment there is no change in design, circuitry, or construction.

WNC still continues to market and sell the same products, but also wants to permit to Advanced Automotive Antennas S.I market the same products under a different FCC ID.

Company has requested WNC's permission to reference, in Company's application, certain documentation relating to the equipment identified in the table above. This letter is provided to allow:

- **Company:** Advanced Automotive Antennas S.L.
- **Address:** P.I. Can Mitjan S/N, Viladecavalls 08232, Spain

to use the publically available test data and application exhibits submitted to the FCC on behalf of WNC with respect to the equipment identified above pertaining to the grant of equipment certification covered by this letter.

This permission to act using data and application previously filed with the FCC on behalf of WNC is limited to the matters set forth herein. This letter does not, and shall not be construed to, grant rights or permissions beyond those expressly granted to the party named herein. This permission expires automatically one year from the date of this letter.

If you have any questions concerning this letter, please contact me by email at Peichun.hsieh@wnc.com.tw or by phone at 886-3-6667799.

Respectfully,

Peichun Hsieh
