Re: Equipment Authorization Under Part 87
WRT-701X Windshear Weather Radar Receiver/Transmitter
FCC ID: AJK6225132-001

Gentlemen:

Rockwell Collins, Inc. (Rockwell Collins) hereby submits an Application for Equipment Authorization for the **WRT-701X Windshear Weather Radar Receiver/Transmitter (FCC ID: AJK6225132-001)** using the Office of Engineering and Technology's online filing system.

One complete set of documents covering the WRT-701X, including a detailed product description and test data, is submitted as part of the Application. Rockwell Collins is sending another complete set of documents to the Federal Aviation Administration (FAA) pursuant to FCC Part 87.147(d). A copy of the transmittal letter to the FAA is enclosed as Exhibit 1.

Your early consideration of the Application is respectfully requested. Please direct all inquiries to Mr. John Giff of this office at 703.516.8213.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Linda C. Sadler".
