

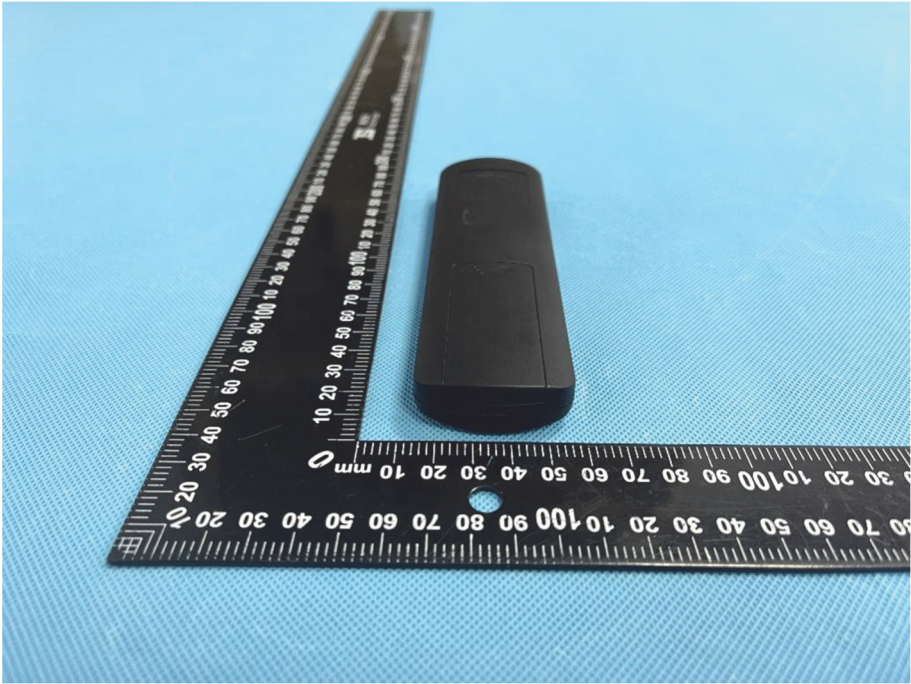

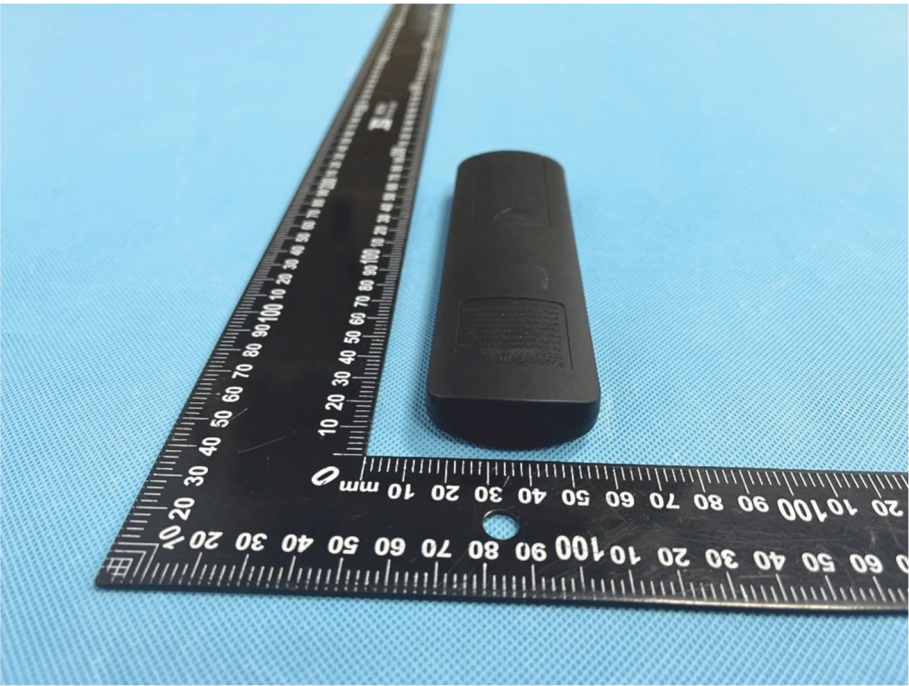

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black remote control is shown vertically against a light blue background. A black ruler is placed horizontally below the remote, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The remote features a red power button at the top, a directional pad with numbers 1, 2, 3, and 4, and various function buttons including 'PH', '3H', '6H', '2700K', '5000K', '3000K', '3500K', and '4000K'.
EUT View 2	 The back of the black remote control is shown vertically against a light blue background. A black ruler is placed horizontally below the remote, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The back of the remote has a small label with text and a recessed area for a battery cover.
