Dear Ms Taube,

as per our e-mail communications, I wish to confirm that the 731 form we submitted on Friday the 5<sup>th</sup> of March 1999, is in error. We asked for compliance with FCC rules parts 80.1061. This should be amended to request compliance with FCC rules parts 80.1101 (c) (5). Your help in resolving this matter is much appreciated.

Best regards,
