Dear Sir:

This is to request confidentiality on information submitted for above application pursuant to 47 CFR Section 0.459(a) & (b). We would like to request confidentiality on some exhibits we submitted for above original application for the reason of trade secret, which would customarily be guarded from competitors under 47 CFR, section 0.457(d)(2). If those exhibits are available for public inspection, any person who once gets the information contained in those exhibits will be able to design and to make the same products very easily. This is a very serious problem and huge loss for us, because we did invest so much on it.

Ezurio Ltd., understands that pursuant to 47 CFR section 0.457(d)(1)(ii) disclosure of the applicant and all accompanying documentation will not be made before the date of the grant.

Please do not make the Exhibit Types listed below routinely available for public inspection:
