

# Statement

We, NETPRISMA INC., declare on our sole responsibility for the product of LCUK54-WWD (FCC ID: 2BEY3LCUK54WWDA) & LCUK54-WRD (FCC ID: 2BEY3LCUK54WRDA) as below:

## HARDWARE MODIFICATIONS:

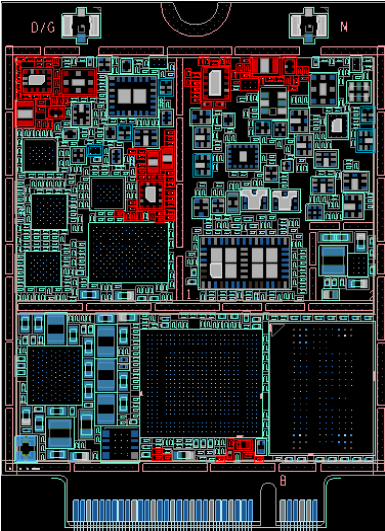

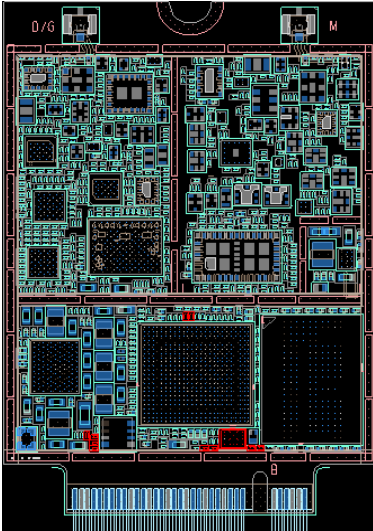

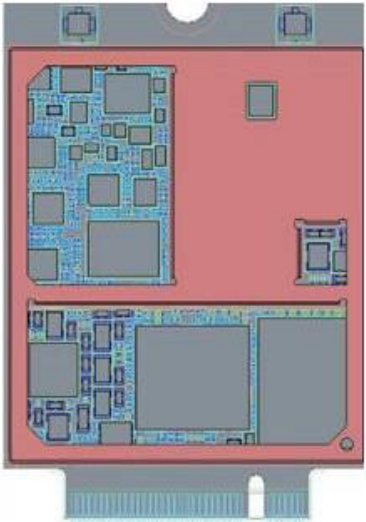

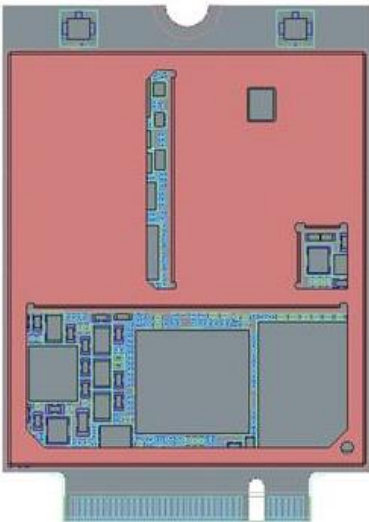

- PCB Layout changes: No
- Antenna change: No
- PA change: NO
- Adding or reducing materials: Yes (Compared with the prototype LCUK54-WRD, the LCUK54-WWD adds B42/43/48 related components.)
- Shield case: Yes

## SOFTWARE MODIFICATIONS:

- Software changes: No

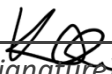

Frequency Bands support bands are below.

| Module     | Supported Band                                                                                                   |
|------------|------------------------------------------------------------------------------------------------------------------|
| LCUK54-WWD | WCDMA: B2/B4/B5<br>LTE-FDD: B2/B4/B5/B7/B12/B13/B14/B17 /B25/B26/<br>B30/B66/B71<br>LTE-TDD: B38/B41/B42/B43/B48 |
| LCUK54-WRD | WCDMA: B2/B4/B5<br>LTE-FDD: B2/B4/B5/B7/B12/B13/B14/B17/B25/B26/<br>B30/B66/B71<br>LTE-TDD: B38/B41              |

| Parameter           | LCUK54-WRD                                                                         | LCUK54-WWD                                                                          |
|---------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Component Placement |   |   |
| Shield case         |  |  |

Above changes won't impact the protocol and RF performance of original frequency bands.  
Your assistance on this matter is highly appreciated.

Sincerely,

  
(Signature)
