

Hui Zhou Gaoshengda Technology Co.,LTD

Address: No.2, Jin-da Road, Huinan High-tech Industrial Park, Huizhou, Guangdong, China

Confirmation Letter

We, Hui Zhou Gaoshengda Technology Co.,LTD

The product: WIFI+BT Module

And model No.: DT31R1601F, DT31R1601

FCC ID: 2AC23-DT31

IC: 12290A-DT31

DT31R1601 have the same technical construction including circuit diagram, PCB Layout, components and component layout, all electrical construction and mechanical construction with DS- DT31R1601F. The difference lies only the model number& power connector. all these changes do not degrade the unwanted emissions of the certified product.

1. Describe the non-RF boards, and circuitry differences (if applicable).
It is same except power connector.
2. Describe the RF boards and circuitry differences (if applicable).
It is same.
3. Describe the exterior casing and color differences (if applicable).
It is same.
4. If no differences, provide the reason(s) for obtaining multiple PMN(s)/HVIN(s)/FVIN(s).
Only the power connector is different.
5. If family contains multiple versions for marketing purposes, detail the marketing detail differences such as names of distribution chains, packaging information, labeling information, etc...
Please refer to labeling information.
6. If submitting multiple versions for future intro on market, provide future market launch plans and why not postponing certification of product versions not ready for market.
Multiple versions don't for future intro on market .
7. If chosen PMN or HVIN are already on the market in other countries but the devices are not identical to what is provided in the Canadian application, provide justification.

The devices are identical to what is provided in the Canadian application.

8. Provide internal & external photos for each product version.
Please refer to internal & external photos
9. Provide manual and product labels for each product version.
Please refer to manual and product labels for each product version.
