FEDERAL COMMUNICATIONS COMMISSION

Subject: Request for Confidentiality  
FCC ID: **ABZ99FT7010**

To Whom It May Concern:

In accordance with § 0.459 of CFR 47, Motorola requests confidentiality for the following items:

1. Block Diagram (Exhibit 4)
2. Schematic Diagrams (Exhibit 5)
3. Theory of Operation (Exhibit 12)

These items contain detailed system and equipment description and related information about the product which Motorola considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, Motorola also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.
