

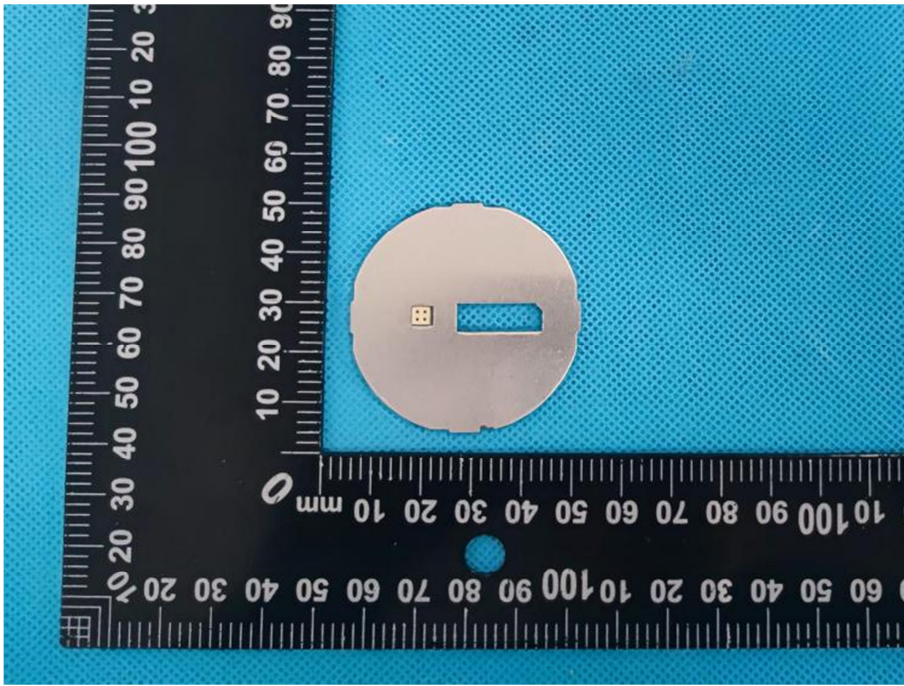

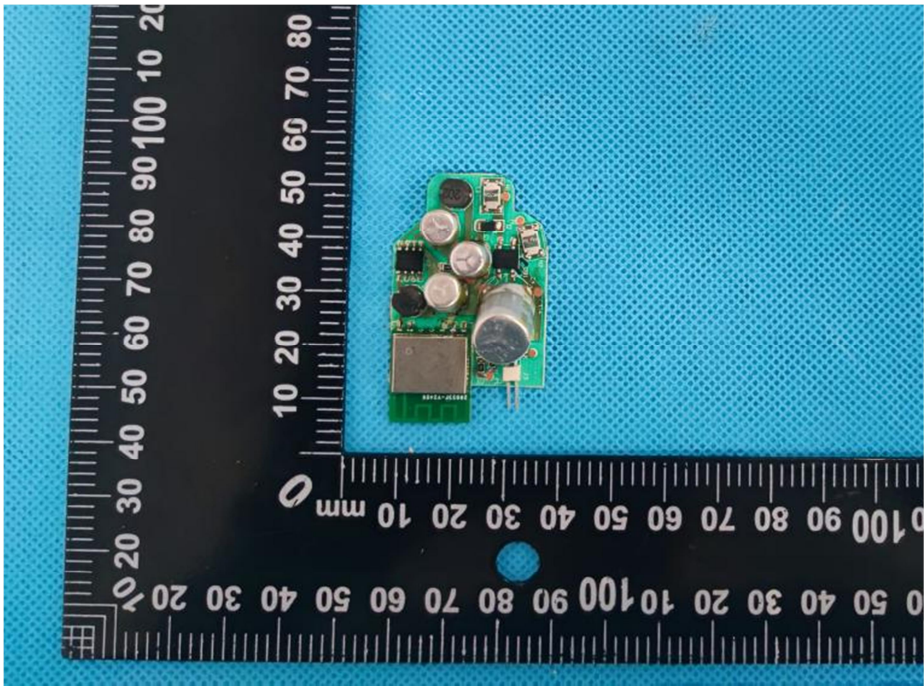

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p><b>EUT Housing and Board View 1</b></p>	 <p>A photograph showing a circular white electronic unit housing and a separate white spherical cap. The housing is positioned on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the housing's diameter being approximately 100 mm. The housing has a central opening and various colored components (yellow, red, green) visible on its surface.</p>
<p><b>Solder Board-Component View 1</b></p>	 <p>A photograph showing a circular white printed circuit board (PCB) component. The board is populated with numerous small electronic components, including resistors and capacitors, which are soldered to the board. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the board's diameter being approximately 100 mm. The board has a central rectangular cutout and various component labels.</p>
