>> Ki Soo Kim,

>>

>> I have completed the review and have the following items that need to be addressed before the review can be completed:

>>

>> The correct format Letter of Authorization submitted with this application is from Pantech & Curitel to CCS Testing Division. There is an older format Letter of Authorization from Pantech & Curitel to HCT, but this must be updated to the new format. Since HCT has submitted this application on behalf of Pantech & Curitel, please provide a Letter of Authorization from Pantech & Curitel to HCT using the updated CCS format.

>>

>> Please provide a photograph exhibit that shows a comparison of the original product and this changed case and memory.

>>

>> The maximum SAR values listed in the RF Report and Cover Letter are higher than the maximum SAR values listed in the SAR report. Please correct this discrepancy.

>>

>> The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
