Dear Ms. Taube,

Yesterday (04.14.99) I entered form 731 application (FCC ID: OIWCBD AESMR1W60 , Form 731 Confirmation Number: EA93872).

Please correct this application by adding, in Item 10: "Equipment will be operated under FCC Rule Part(s): 90, 22. "

(The numbers 90, 22 were deleted automatically during the process of writing this application, when I made an error and returned back to fix it).

Thank you,
