CONFIDENTIALITY REQUEST - FCC ID: 2AC7B-G6500

Reference rule sections 0.457 (d) (ii) and pursuant to rule section 0.459 (a) confidentiality is requested as follows.

Long-Term Confidentiality is requested for the following:

- Block Diagram
- Schematics
- Operational Description
- Internal Photographs
- NDA

The requested items are provided for the following purpose:

Information to support test reports and certification only and should not be used for any other purpose than that which is stated.

The information being disclosed by us to you contains commercially sensitive information and trade secrets and security information which is confidential in nature and is not usually disclosed to external parties, except under a non-disclosure agreement. The information is not publicly available.

Due to the nature of the product, it intrinsically contains security features to avoid fraud. In use the product is contained within locked fuel dispensers or in cradle enclosure and internal parts are not accessible to the public. The product is only serviceable by

professional designated technicians under NDA. All sales to our customers and their final customers are under NDA.

This information must be kept secure and not disclosed without our prior written approval.

Disclosure of this design material would result in the compromise of security and significant financial loss to acquirers, banks, merchants, brands, and our company could result.

It should be treated as confidential with no limit on the duration for this confidentiality obligation.

Yours sincerely

A handwritten signature in black ink, appearing to read "C Henry", with a long, sweeping flourish extending from the end.
