

TWR-1 & TWR-5 – Antennas Internal Construction

600mm x 400mm Antenna Panel G03121

1300mm x 600mm Antenna Panel G031424

Cross Sectional View (600mm x 400mm Antenna Panel G03121)

600mm x 400mm Antenna Panel G03121 and 1300mm x 600mm Antenna Panel G031424 have similar internal construction. There is hardened foam like material inside to prevent the antenna wire from any movement. Antenna wires are winded with couple of turns as shown on the diagrams above.

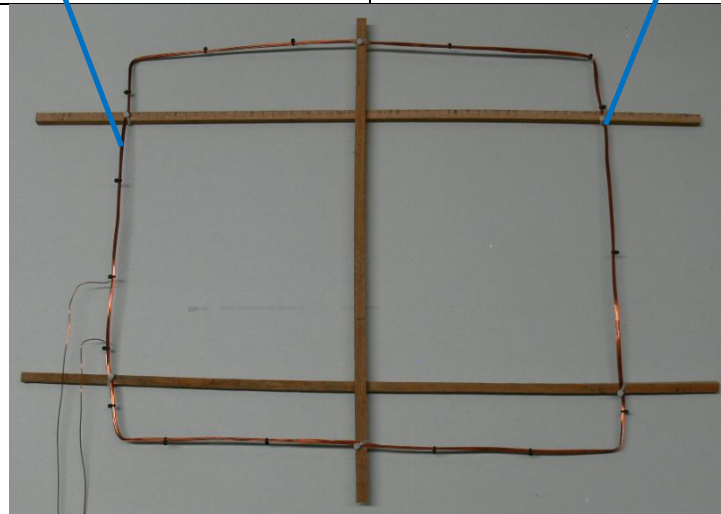

Sheep Auto Drafter (G05714) Antenna – Construction and Location
