December 2, 1999

In accordance with 2.933(b) of the FCC Rules. I hereby request a Unique FCC ID for a product we will be manufacturing for RadioShack. The RadioShack version (cat. no. 61-2564) is identical in every aspect except labeling to the X10 version, Model SS13A (FCC ID B4SSS13A). RadioShack require a unique cat. no. for marketing reasons only.

Model SS13A was granted on 6/24/99.

I have electronically filed FCC Forms 731 and 159.

I have electronically filed PDFs of the front and back of the unit showing label placement and showing that it is identical to the SS13A.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dave Rye', with a stylized flourish at the end.

Dave Rye  
Vice President/Technical Manager
