[illegible]

**EUT – Battery View**

A photograph of a rectangular lithium-ion battery pack with a yellow casing, resting on a blue surface. The battery is divided into four cells. A black and red ribbon cable is attached to the left side. Below the battery is a metal ruler with markings in centimeters and inches. The battery's length is approximately 10 cm.

**EUT – Fan View**

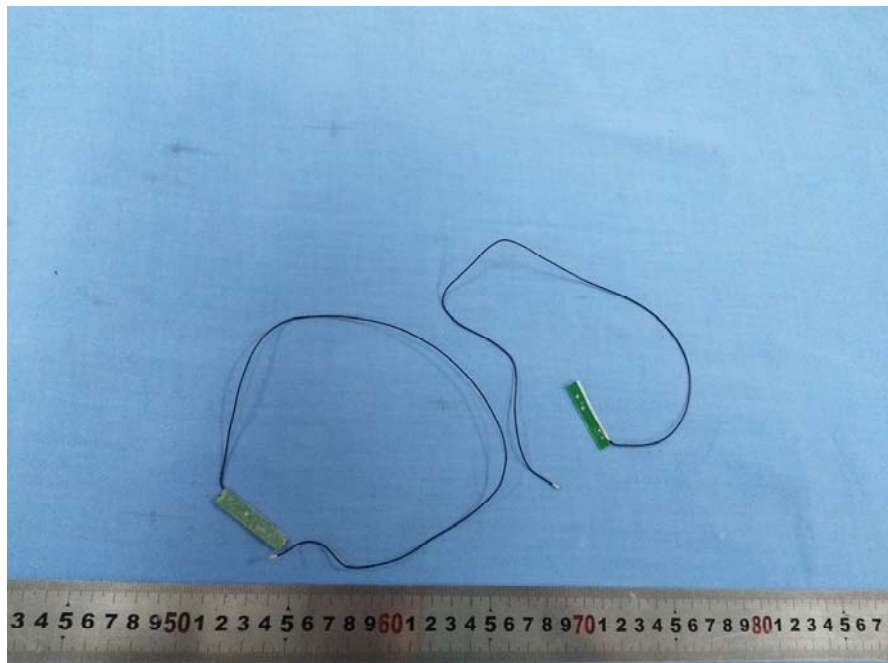

A photograph of a small, square, white fan unit with a black frame, resting on a blue surface. The fan has a central hub with a gold-colored screw. A black and red ribbon cable is attached to the left side. Below the fan is a metal ruler with markings in centimeters and inches. The fan's width is approximately 5 cm.
