View 1**

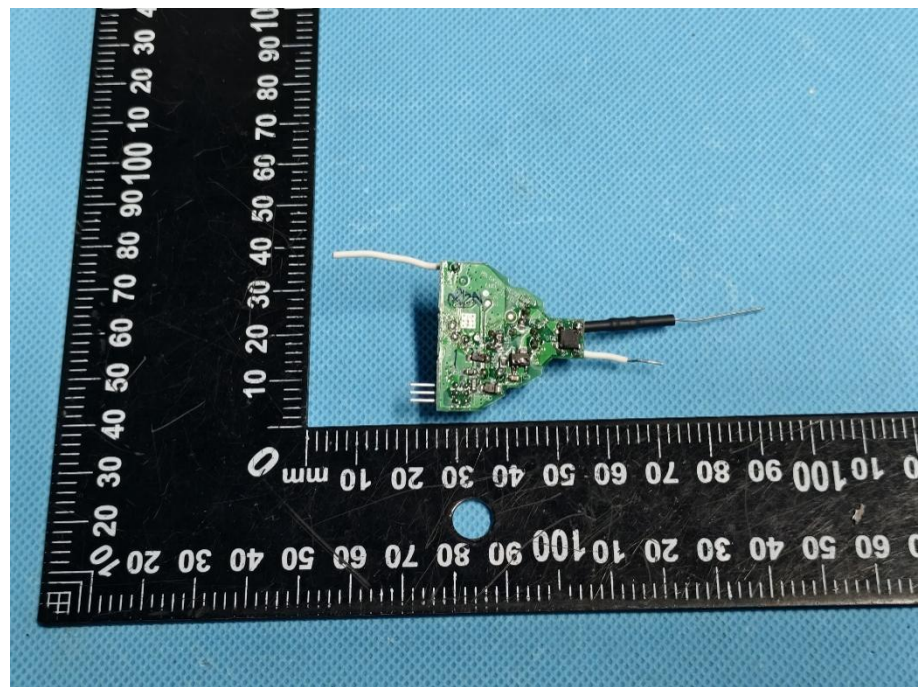

Solder Board-Component View 2	 A circular electronic component, likely a LED array, is shown from the top. It features a white substrate with numerous small, colorful LEDs (red, yellow, green, blue) arranged in a grid. The component is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has white markings in millimeters and centimeters.
Solder Board-Component View 3	 The same circular electronic component is shown from the bottom. It appears as a silver-colored metal disc with a small, dark rectangular component mounted on its top surface. The component is placed on the same blue textured surface next to the same black L-shaped ruler for scale.
