Part 22 Certification
Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, LG Information & Communications, Ltd.
Hereby requests confidentiality of the Block Diagrams attachment, Schematic Diagram & Circuit Description attachment, Antenna Specifications attachment, Operational Description attachment, and Parts List/Tune-Up Procedure attachment for the above-referenced application.

These documents contain detailed system and equipment description and related information about the product which LG Information & Communications, Ltd.
Considers to be proprietary, confidential, and a custom design and , otherwise, would not release to the general public. Since this design is a basic from which future technological products will evolve, LG Information & Communications, Ltd. Considers this information to be of benefit to its competitors an unfair advantage in the market.

Sincerely yours,

**D.S.KIM / Quality Engineering Dept.
