RE: FCC ID: A7RM4F9A
Attention: Mr. Hisayuki Kioka

I have a few comments on this Application.

- 1 The first section of the report contains non-English fonts. The FCC server cannot open documents that contain non-English fonts. Please provide a test report that does not contain non-English fonts.
- 2 The FCC requires separate files for setup photos. Please provide a separate document file for Test setup photos.
- 3 The manual does not appear to have the interference statement of 15.105. Please provide a corrected manual with this information.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
