

December 20, 2000

FCC ID: E675JS0044

731 Confirmation Number: TC98976

Following is our response:

Intermodulation Products Testing – two-tone testing was based on past experiences. We have started making the three-tone test or two-test per branch policy.

Spurious Emissions – absolute measurements done based on past experiences. We will start making substitution method measurements per branch policy from the date of this response.

Sincerely,
Mary Washington
