MADE IN KOREA

The image displays two views of the Simoco SDP560 AC device against a blue background. On the left is the back view, showing a black plastic casing with a white label containing technical specifications and regulatory markings. On the right is the front view, showing a silver-colored metal casing with a black screen and a black antenna. A line from the top label points to the front view, and another line from the bottom caution box points to the front view.

CAUTION

Device must be restricted to occupational use to satisfy FCC RF exposure compliance. See relevant product documentation for details.
